

IN THE IOWA DISTRICT COURT FOR POLK COUNTY

<p><b>CARL OLSEN,</b> Petitioner,</p> <p>v.</p> <p>STATE OF IOWA Respondent.</p>	<p>No. CVCV068508</p> <p><b><i>MOTION FOR JUDICIAL NOTICE</i></b> Iowa R. Evid. 5.201</p>
--	---

Petitioner Carl Olsen respectfully asks this Court to take Judicial Notice of the April 27, 2026, U.S. Transportation Administration: Medical Marijuana policy.

In as much as the Respondent relies on federal drug law, the attached policy, found online at <https://www.tsa.gov/travel/security-screening/whatcanibring/items/medical-marijuana>, proves conclusively that the personal, private possession of cannabis on public transportation is not a threat to public health and safety sufficient to deny the Petitioner protection under the Iowa Religious Freedom Restoration Act.

Dated May 18, 2026.

Respectfully submitted.

CARL OLSEN

/s/ Carl Olsen

TSA's screening procedures are focused on security and are designed to detect potential threats to aviation and passengers. Accordingly, TSA security officers do not search for illegal drugs, but if any illegal substance or evidence of criminal activity is discovered during security screening, TSA will refer the matter to a law enforcement officer.
